

## All of My Friends

(J. Forster/T/ Chapin)

I'm the lucky one  
I've got sky and sun  
Got the breath to sing this song  
I'm the lucky one  
I am not alone  
I've got friends helping me along

Friends that I play ball with  
Friends I deck the hall with  
Friends I've known since I was three  
Friends I'm real polite with  
Friends I always fight with  
And friends who just let me be  
Friends I can confide in  
Friends that I take pride in  
Friends who help me when I'm in a jam  
Listen when I grumble  
Catch me when I stumble  
And accept me for who I am

*Chorus:* All of my friends  
All of my friends  
All of my friends  
All of my friends

When I'm feelin' lonely  
Like the one the one and only  
Hungering for harmony  
When I need affection  
Friends are my connection  
Opening their hearts to me

*Chorus*

Half a world away  
Or just around the corner from me  
I'm reaching out my hand  
Reaching out to you

*Chorus*

*Repeat*
